Tree Requirements:

Use only artificial trees, **7 ½ feet tall, with metal tree stand** (full trees are preferred over slim)

Fasten decorations to your tree with wire or ribbon.

Gift certificates should be placed in an envelope with the tree# and given to the Payment Room.

The tree, stand and all decorations become the property of the tree buyer and cannot be returned to donor.

Tree Design and Themes:

Let your imaginations run wild and decorate as you please. Your tree should reflect a cohesive theme with color, decorations and gift items that all work together and form a unified package.

Gifts Under the Tree

Most people like to put an assortment of gifts under the tree since it increases its auction value—even if they are just for show! *This is your choice; you do not have to include gifts.*

*** Gift Certificates/Jewelry:**

- Utilize a “placeholder” for the gift certificate/jewelry on the tree, i.e. a festive envelope or a photograph. **Do not put gift certificates/jewelry in decorated boxes under the tree.**
- The original gift certificate/jewelry should be placed in an envelope marked with the tree name and number, and given to the Payment Room.
- The gift certificate/jewelry will be given to the tree buyer when they pay for their tree.

Valuing Your Tree

The value of your tree includes the tree itself, purchased or handmade ornaments, and gifts such as wine, furniture, art, quilts, gift certificates, etc. There may be tax deductions available so this information is important.

Each tree decorating team contact person will receive a thank you letter which will include our nonprofit tax identification number and the tree value you have submitted. Please ask your tax advisor(s) if your tree donation is tax deductible.

People's Choice Award

People can vote for their favorite tree. The votes are counted and a People's Choice Award ribbon will be placed by the winning tree. The winning tree decorator team will receive not only bragging rights for the year but also the award ribbon, a trophy and a write-up on the Festival website and, hopefully, in the newspaper.
